New Lenox Drama Club To Give Play Jan. 31 Thru Feb. 2

"The Apple of His Eye" is the title of a play which will be presented by the New Lenox Methodist Drama club in the Haven school, Thursday, Friday and Saturday, January 31 thru February 2. The play will be given in the Haven public school starting each evening at 8 o'clock.

The leading role of Sam Stover is played by Rev. Ralph Miller. He plays the part of a middle age widower who is hankering for his 19 year old hired girl, Lilly. It has the whole Stover clan a' feuding; the entire household a' fussing; the village gossip tongues a' wagging and the whole family in an uproar.

Other members of the cast are: Frances Miller, Nettie's housekeeper; Lew Loebe, Tude's hired man; Erna Long, Nina, Sam's daughter-in-law; Clyde Townsend, Glen, Sam's son; Karen Miller, Carol Ann, Sam's grand daughter; Len Heimerding, er. Ott Tobey, Lilly's Pa; Dick Swanson, Foss Springer and Kathleen Henderson, Stella Springer, the village gossip.

The play is under the direction of Lois Loebe, member of the professional theatre for many years and affiliated with the New Lenox Methodist church.

The Drama club membership is not restricted and all members of the community are welcome. The meetings are held the third Friday of the month.

Farm-Home Annual Meeting Jan. 28-31

There'll be lots of learning and fun combined in the 51st Farm and Home Week, at the Illinois College of Agriculture, January 28 to 31. It's an ideal, practical midwinter vacation.

A discussion, "Illinois Agriculture—1955 Model", is set for 10 a. m., Monday, January 28, as the opener of the four-day program. Taking part will be two farmers, Leslie Heiser, Champaign county, and George Irwin, Marion county, and three college staff members, M. B. Russell, head of agronomy department; G. W. Salisbury, head of dairy science department; and R. R. Snapp, head of beef cattle work.

With good weather, around 5000 persons are expected to attend Farm and Home Week. About 300 reports on all phases of farming are scheduled, plus 13 special classes for women. For entertainment, there's the Stockmen's banquet, Illinois Crop Improvement association banquet, music and drama festival, square dancing at the winter festival, Farm Management luncheon and other special events.

Last Rites Thursday For Mrs. E. Batson

After being a patient sufferer for the past three years, Mrs. Elizabeth Batson, 77, a native of New Lenox, died Monday morning in the home of her daughter, Mrs. Ray Brown in Joliet. Mrs. Batson fell in her home three years ago and received a broken hip. She was confined to Silver Cross hospital for many weeks, but never recovered sufficiently to enable her to be active again.

Born in New Lenox, she was the daughter of the late Mr. and Mrs. Henry Jensen. She was married to Sidney Batson in 1879 and they farmed west of the village until they retired from that work, and moved to Joliet.

Surviving are her husband, two daughters, Mrs. Brown and Mrs. Arthur Wirth, of St. Petersburg, Fla., four sisters, Mrs. Minnie Osmus, Mrs. Annie Bethel of New Lenox; Mrs. Bertha Stephen, of Frankfort, and Mrs. Louise Scherpe, of St. Petersburg, Fla., two brothers, John of Joliet and Irvin of New Lenox; four grand children, and five great grandchildren.

Funeral services will be held this afternoon, January 24 in the Sonntag funeral home in Joliet with Rev. Leonard Reinke and Rev. Robert Hamill officiating. Burial will be in Maplewood cemetery, New Lenox.

N. L. GIRL SCOUT TROOP 98 MEETS IN HOME OF LEADER

The Girl Scout troop 98, of New Lenox, met Monday night in the home of their leader, Mrs. George Vally. After opening their meeting with the pledge of allegiance routine reports were read. They discussed work on their badges while inspection was being made, and later did work toward their badges.

After planning for making Mother's day gifts, they enjoyed refreshments served by Karen Wade.

At a special meeting of the Mokena Village board Tuesday evening, bids were opened for a deep well turbine pump as follows:

Henry A. Schrader, Water Consultants of Chicago Heights; J. P. Miller for the Artesian Well company at Brookfield; Frank Liszt, Mokena and from the Will County Pump Shop at New Lenox and Joliet.

No action was taken at the meeting as the board will hold a conference at an early date to study the bids because of the different specifications given.

L. H. Brown of the firm of DeLewe, Cather & Co., engineering company of Chicago, who were given the work by the board to make a survey of plans and give specifications for a sanitary drainage system, storm drainage system and water main extension at a cost of \$500, gave the preliminary report at this meeting, as follows:

1. A sanitary sewage system would cost approximately \$185,000 and a treatment plant in connection, \$85,000.

2. A storm sewage system which would drain the entire village of surface water and make provision for expansion at a further date, \$350,000.

3. Extension of water mains, including installation of adequate valves, hydrants and rehabilitation of valves now in use, \$85,000.

4. To rehabilitate the present system: a. Eliminate cross connections; b. Calibrate, register and seal water meters; c. Repair existing valves, construct valve boxes and install necessary new valves; d. install a chlorinator, total \$10,000.

To drill a new well and pump at a different location than the present one to act as an auxiliary to the present pump, \$20,000.

Totalling the costs of No. 3 extension of water mains, No. 4, Rehabilitation present system, \$10,000 and install new well and pump is \$115,000. L. H. Brown of the DeLewe, Cather & company stated that if these three propositions were done, it would insure the village of pressure, quality and quantity of water, and recommended the rehabilitation of the present system.

James G. Brown, a public health engineer from the Will County Health department, was present and stated the law provides that any changes or addition to the village water system must have a state permit approving the plans.

In considering the financing of all or any part of this work, it was shown that the assessed valuation of the village of Mokena is \$1,400,000 which permits a total of \$70,000 bonded indebtedness of which \$3,000 is already outstanding.

James G. Brown of the Health department stated the village water showed a satisfactory test at the last testing.

A letter was read from John Scarth, dated January 22, resigning as village trustee to be effective at once. This will be acted on at the next regular meeting.

Citizens present at the meeting in addition to the bidders and reporter were Winton Hamilton and Kenneth Sherwood.

OPEN HOUSE AT NURSING SCHOOL

Silver Cross School of Nursing, Joliet, is holding an open house Saturday afternoon, February 2, for girls interested in a nursing career, their parents and teachers.

Tours of Silver Cross hospital and the nurses residence will begin at 2 o'clock. At 3 o'clock a skit, "Mrs. Chase on Duty" which will demonstrate nursing care, will be given by students in the assembly room of the school. "Mrs. Chase" famous in nursing circles, is the life-sized doll schools provide for student practice.

Two panel discussions on nursing education will be presented, one by student nurses for student guests, the other by faculty members for parents and teachers. These will be followed by a question and answer period after which tea will be served.

LOCAL DEALERS AT NEW FORD SHOW

Elmer L. Cooper, Mokena and Arthur Bauch, Frankfort, Ford dealers, attended the showing of the new Fords at the Palmer House in Chicago last Tuesday.

BREAK WINDOWS IN SCHOOL

A \$50 reward is being offered for the identity of those who broke five windows in the Summit Hill school Friday night, January 18. After replacing the windows at a cost of \$75.00, they were again broken Tuesday night. Because of the cold, a water fountain near a window froze.

Lucille Kaufman, 33, Dies; Formerly Lived In Mokena

Mrs. Lucille Kaufman, 33, nee Fisher, died Sunday after a lingering illness in her home in Detroit, Mich. She was born in Joliet, the daughter of the late Walter Fisher and Ethel Fisher Schenkel, but lived several years in Mokena, where her parents operated a grocery store, where the A. Dina Barber shop is now located.

Her father, who had been sworn in as a deputy sheriff, was killed by mail robbers in 1926 when he went with Barney Hostert in pursuit of them. They had robbed a mail truck in Joliet and while driving east on route 30 near Wolf road, forced Dr. E. G. McMahon, at the point of a gun, to give them his car. He notified the Mokena officers and as they drove north at his direction to locate the armed men they overtook them on 94th avenue at 143rd street. As Fisher approached the bandits car to arrest them, they opened fire killing him and slightly injuring his companion. After this tragedy his wife and children continued the grocery business in Mokena for a year and went with their mother to live in Joliet.

The deceased, who was married and went to live in Detroit about 12 years ago, is survived by her husband, a daughter, Ellen; a sister, Mrs. Charles Jones, of Chicago; an aunt, Mrs. Anna Schulkin, of Joliet, three uncles, Isadore and Louis Lewis of Joliet, and Harry Lewis, of Gary, Ind.

Funeral services were held at the Carlson funeral home in Joliet, Tuesday afternoon, with Rabbi M. M. Hersman officiating. Burial was in the Mt. Moriah cemetery.

'Youth' Service at St. John's Church

In keeping with Youth Week, January 27-February 3, as sponsored by the American Protestantism of the United Christian Youth movement, the morning service in St. John's Evangelical and Reformed church at Mokena will be in charge of their young people's league, Sunday, January 27.

Miss Joyce Cummons will have charge of the opening service and a panel discussion will occupy the main part of the hour. Rev. William Riemann, pastor, will be moderator of the discussion.

On the panel will be Earle Stettlgen, Wilbur Rauch, Pat Perley, Phyllis Gaddis, Jerry and Fritz Lehmann and David Kropp. They will talk on questions immediately concerning youth. Everyone is invited to the service.

Award Prizes At N. L. Talent Show

At the New Lenox Band Parents' dance and talent show held Saturday evening the following winners were awarded prizes, 1st, Diane Sheridan, \$3.00; 2nd tied between Michael Sheridan and Sharon Cappel, of Mokena, \$2.00 each; 3rd, Mary and Marilyn McElfish \$1.00 and special prize to Mrs. Carl Becker.

The Band Parents plan to have their next school luncheon Thursday, January 31, starting at 11:30 and continuing until all have been served, with the following menu, hotdogs, potato chios, baked beans, brownies coffee and milk.

Their next meeting will be held February 4, at 8 p. m. in the Haven school. The speaker of the evening will be from the American Institute of Laundry, Joliet and he will show movies.

Frankfort-Mokena Home Bureau News

Frankfort-Mokena unit of Home Bureau met Tuesday afternoon, January 15 in the home of Mrs. Will Fair at Mokena with 14 members present.

Mrs. Robert Niemann, vice president, presided in the absence of the president Mrs. Emil Groth who is recuperating from a siege of virus pneumonia. Thru the sick chairman, Mrs. Martin Medema, the unit sent a plant to Mrs. Groth, who also reported having received 43 cards and hopes to be able to attend the next meeting.

Miss Kay Anderson presented the major lesson with a felt talk on the subject of Art Principles as applied to home decoration. The minor lesson, "Floralentine Work" was given by Mrs. Medema. Both lessons were most interesting.

Mrs. George Smego reported on the 4H activities and of the family night which was held in the home of Mr. and Mrs. Ray Westlund last Friday night. The next family night will be held in the home of Mr. and Mrs. Wilbert Lauffer Friday, Feb. 1. The next Unit meeting will be held February 19 in the home of Mrs. Robert Hohenstein starting at 7:30 in the evening.

'BUD' WARNING, MARLYS KROPP MEET IN JAPAN

There is nothing quite like meeting old friends when one is away from home, especially when they are far away from home.

That was the pleasure that came to two former Mokena people, Fremont (better known as Bud) Warning, and Marlys Kropp.

In a letter to his mother, Mrs. Ethel Coborn at Mokena, Bud told of meeting Miss Kropp, who is a stewardess on the Northwest airlines. They met by chance in Tokyo, Japan and spent some time together. They dined at the beautiful Northwest Staff House and also attended the Ernie Pyle Memorial theatre. Both these young people were students in the Mokena public school, not too long ago.

Miss Kropp, the daughter of Mr. and Mrs. Milton Kropp of Cable, Wis., formerly of Mokena, has been a stewardess on the airline for a few years and Bud is a Navy Communication technician, stationed at Yokosuka, Japan.

After the visit, Miss Kropp left for Hongkong, then Alaska, Canada and Minneapolis. She expects to return to Japan in another month. She is able sometimes during her lay-overs to visit with her parents at home.

Bud is looking forward to meeting Gerald Bennett, another former Mokena boy, who is a gunner's mate on the U. S. S. Erban which is expected to be in Tokyo soon.

MRS. E. CAPPEL URGES RETURN OF M-D CARDS

Mrs. Elizabeth Cappel, who is chairman for Mokena for the March of Dimes, is anxious to urge everyone in Mokena to return their cards, so that they may all be in by the end of the month.

These cards which contain places for dimes and a pocket or paper money have been sent to each resident through the mail. To date, Mrs. Cappel states, there have only been a few returned, and in the face of the urgent need because of the many polio victims, it is a small way to help in this gigantic problem. Mrs. Cappel requests each card recipient to fill in every dime space on the card or place as many bills as possible in the pocket and return the card at once. The March of Dimes drive ends this month.

Mokena Drivers May Save on Car Tax

Out of 280 registered car owners, of the village of Mokena, to date only 64 have taken advantage of the lower auto license tax rate allowed at this time. After February 29 the regular charge of \$5.00 will be made for each vehicle tag. Until then they may be obtained for \$3.00.

For the convenience of car owners the village clerk gave notice recently that he would be at the village hall to collect at specified times but only two car owners so far have applied there for their vehicle license.

Applicants for car tax stickers may also mail the required information and tax fee to the village clerk, Alvin Sorensen, 403 N. Wolf road, and he will return their sticker and receipt by mail.

'Phil's Work Shop' New Mokena Ind'stry

A new industry has been added to Mokena, that of "Phil's Work Shop." It is located on Center street and has been built by Phillip Hacker, carpenter-contractor.

The new building is 22x40 feet and is equipped to handle all cabinet work for the trade. Already Mr. Hacker has made a number of cabinets for houses in this territory and as this is the only one of its kind in this section outside of Frankfort where Mr. Klepper has done excellent work for many years, there is every indication that "Phil's Work Shop" will be a busy place. His friends wish him success.

MOKENA FIREMEN ANSWER CALL TO SMOKE-FILLED HOME

The Mokena Volunteer Fire department answered a call to the home of Mr. and Mrs. George Haehnlein, on North Wolf Road, Thursday.

Mrs. Haehnlein became alarmed when the house was suddenly filled with smoke. After calling for help she found there was no fire but it is thought that the down-draft backfired sending the smoke into the home.

Reports on Survey For New High School

The new high school to be erected in this area will be our biggest business, Dr. Merle Sumption of the University of Illinois reported at a special meeting sponsored by the Mokena Civic association January 15. It will probably be a million-dollar plant with an annual payroll of \$100,000, and should be of interest and concern to every citizen whether he has children in school or not.

Dr. Sumption is making a survey for High School district 210, the results of which will guide the high school board in making plans for the new high school. He told the meeting that his report which will be ready May 1, will cover a complete census of the area (Frankfort, New Lenox and most of Manhattan townships): pre-school, grade school and high school children as of today with a projection as to possible future growth, and the estimated geographic location of the center of school population. The survey will study the nature of the community—industrial, agricultural or professional, to determine facilities and subjects to be taught. It will study financial status—assessed valuation, showing probable income to the board so that it can plan the building and facilities we can afford.

There will be 100 copies of this report made available so that any one interested can study it. Dr. Sumption felt it very desirable that there be public discussion on this subject. Suggestions with regard to the new high school should be made to the advisory committee to the board. Dr. Sumption reported that this advisory committee had completed its house-to-house canvass in this area.—George Bills, publicity chr.

FRANKF'T LIONS SPONSOR SMALL FRY TEAM

The Frankfort Lions met Tuesday evening, January 15, in the village hall and had dinner together, as has been customary, before the president, Herbert Folkers, called the business session to order.

A report was made by Robert Fredin, chairman of the committee appointed to raise funds for lights for the ball park. The Lions are sponsoring a team in a newly-formed small-fry league and Wendell Morrison is serving as chairman.

Mr. Morrison is also chairman on arrangements for a Valentine party to be given February 12 at 6:30 p.m. at Chuck Cavillini's, in Midlothian, for the Lions and their wives.

Will Co. Health Dept. To Broadcast Program Each Fri.

"The Drugs You Use" is the title of a new series of radio programs to be broadcast over radio station WJOL. These programs are sponsored by the Will County Health department, and are presented in the interest of better health and better living.

These programs will give some very interesting information on such subjects as "Use and Misuse of Drugs"; "Pain Killers and Sleep Producers"; "Hormones and Fat Reducers"; and numerous others. An outstanding medical authority will discuss one of these subjects each week, and will no doubt answer many questions you have regarding the use of drugs and patent medicines.

This program will be heard every Friday at 11:30 a. m. over station WJOL, beginning this Friday, January 25.

Rites at Frankfort For Charles Genens

Charles F. Genens, 62, of 410 Maude avenue, Joliet, died Saturday at his home. He is survived by his widow, Grace, one daughter, Mrs. William Beyer a brother, Emil, of Harvey, five sisters, Mrs. Alvina Kunzman, of Joliet, Mrs. Hilda Genens, of Frankfort, Mrs. Ida Meyer, of Peotone, Mrs. Hilda Genens, of Peotone, Mrs. Leona Thomas, of Blue Island, and three granddaughters.

Funeral services were held Tuesday afternoon in St. Peter's Evangelical and Reformed church, of Frankfort, after removal of the body from the Blood and Grant funeral home at Joliet. Rev. Erich Bizer conducted the rites. Interment was in Pleasant Hill cemetery.

N. L. CARD & BUNCO PARTY

The New Lenox Episcopal church will sponsor a card and bunco party at the VFW hall on Wolf road Saturday evening January 26. The public is invited. All games start promptly at 8:30. Refreshments will be served by the committee, Mrs. Elsie Genens, chairman, Miss Yvonne Genens, Mrs. Lydia Muller and Mrs. Inez Werner.

THREE MOKENA BOYS ESCAPE DEATH IN ACCIDENT MONDAY

Mokena Cub Scouts Calendar Of Events

During the Christmas vacation the Cub Scouts enjoyed a coasting party at the Leo Marcoux home. It was an afternoon of great fun and all wish to thank the Marcoux family for the use of their basement and fireplace. Hot chocolate and hot coffee was served with hot dogs being roasted over the fire.

At the January 10 Pack meeting, Gene Cruise, Field Executive, was present and presided at the "Ceremony of the Burning of the Mortgage", which was to recruit more boys than the mortgage listed. Everyone received the Scout brand as they entered the meeting.

Boys receiving badges for finishing their achievements were, Wolf badge: William Seavertson, Dennis O'Connor, Thomas Powers, Bear badge: Kenneth Lorenz; Gold Arrow: Donald Lehmann, Registration cards: Roger Olson, Gordon Richardson, Mark Muehler.

January 16 the Round Table for the Louis Joliet district was held at the Ferdinand hall, Joliet. Mr. Williams, Miller and Mr. and Mrs. Murphy attended.

January 31 will be Pack meeting night. The theme for this month is Study of the Stars. Mrs. Creer's Den, No. 5, will put on the entertainment.

The month of February brings much activity as Feb. 6 to 12 is Boy Scout Week. The boys are asked to wear uniforms on the school days of that week. Sunday, February 10 is Scout Sunday. The Scouts are asked to participate in some duty of the church or Sunday school on that date.

The Cub Scouts of the Mokena Methodist church have been asked to take a part in the church service and will lead the prayer for Sunday school.

Dear Mothers: Whatever any of your boys are going to take part in, please send word to the leader, so your boys will be listed in taking part. This will be sent to the Council office.

During the Scout Week there will be displays of Crafts etc. in different windows of business places in Mokena.

Feb. 28 will be Blue and gold potluck supper.

We also wish to thank the Hartley Cleaners, Joliet, for the cleaning of the American and Pack flags. They extended this offer free of charge to any of the Packs, Scouts and Explorers who would bring in their flags and pick them up.

There will be more news on Scout Week, displays etc. in the paper following.—James L. Murphy, leader.

J. Jarva-A. Swatek, Jr. Wed in Chicago

Miss Jean Jarva, daughter of Mr. and Mrs. Wm. Jarva of Chicago, was united in marriage with Albert Swatek Jr. of Lincoln Estates, Saturday afternoon, January 19.

The double ring ceremony was read in the First Congregational church of Chicago. Dr. Kirk, pastor of the church, officiated. The church soloist sang "I Love Thee Dear" by Grieg, and "The King of Love My Shepherd Is."

The bride wore a brown suit with yellow accessories and carried a brown velvet muff decked with yellow rose buds. Miss Joyce Swatek, sister of the groom, attended the bride. She wore a green suit, with gold accessories, and carried a green muff with talisman roses. The bride's mother wore a violet dress with matching accessories. The groom's mother wore green with pink accessories. Each wore a corsage of pink camellias.

Donald Hunter of Frankfort was best man. Henry Heusser and Harold Piepenbrink served as ushers.

A reception was held for relatives of the bride and groom in the church parlors.

After returning from their wedding trip, Mrs. Swatek will resume her teaching duties at Park Forest. Mr. Swatek is an administrative assistant in the Illinois National Guard. Both are graduates of Northern Illinois State Teachers college at DeKalb. The couple will live in Chicago Heights.

AUX. CARD & BUNCO PARTY

The Woman's Auxiliary to William Martin Post 725 of Mokena will sponsor a card and bunco party at the VFW hall on Wolf road Saturday evening January 26. The public is invited. All games start promptly at 8:30. Refreshments will be served by the committee, Mrs. Elsie Genens, chairman, Miss Yvonne Genens, Mrs. Lydia Muller and Mrs. Inez Werner.

Three Mokena boys figured in an auto accident Monday evening at 7:30 o'clock as they were driving west on route 30.

The boys, Ralph Stahl, 16, his brother Allen, 19, sons of Mr. and Mrs. Ray Stahl of Mokena, and Carl Solonka, 19, who makes his home with his aunt, Mrs. Graybish, 180th and Wolf road, were a mile west of New Lenox when their car skidded sideways. It crossed over into the eastbound lane striking a semi-trailer truck, driven by Russell Brame of LaFountaine, Ind. Mr. Brame said he saw the car skid and tried to turn to avoid striking it, but was unable to do so.

In the collision Solonka and Allen Stahl were thrown from the car which was driven by Ralph. Outside of shock, Ralph was uninjured. Allen and Solonka were removed to Silver Cross hospital and Allen was released Tuesday. He suffered cuts and bruises on his face and head. It is thought that Solonka has a possible fracture of the pelvis, of the back and of both legs. He was employed in Chicago.

Ralph is employed at the Mokena Wallpaper mill and Allen by the Douglas Furniture company in Chicago. The boys were on their way to shop for clothes in Joliet that evening. All roads were glazed as the result of the freezing rainstorm at the time of the accident. The Stahl brothers Ford is a complete wreck.

Mrs. Flora Weimer, Of New Lenox Dies

Mrs. Flora E. Weimer, of New Lenox, died at her home Thursday morning at the age of 76. She is survived by six sons, Carl W. Fosnaugh, of New Lenox, Kenneth, Mack, Earl, Robert and Willard Weimer, three sisters, Mrs. Edith Heilmann Thomas, Mrs. Cora Hipskind and Mrs. Esta Hipskind, and one brother, Clifton Cutshall.

Funeral services were held Saturday afternoon in the Kiger funeral home at Niles, Mich., after the removal of the body from the Sonntag funeral home at Joliet.

Readers Viewpoint

Mokena, Illinois
January 18, 1952
Mrs. Margaret Semmler
Mokena, Illinois
Dear Mrs. Semmler:

As editor and publisher of the News-Bulletin and a leading proponent of democracy in our local government, I feel sure that you will be interested to know that, since the 1950 census, School District 159 is entitled to have a Board of Education of seven members inasmuch as it appears that the population of this district exceeds 1000 in population. At present, of course the district is being governed by a Board of Directors of three members, because at the time of the formation of the district the population was less than 1000. The legislature has seen fit to provide for an increase in the membership of local school boards when there has been a growth in population in a district in order to provide more adequate representation, which is in accordance with the theory of our democracy in that since the school board is a taxing body, taxation without representation is tyranny. Since the number of people in the district has increased, they are entitled to adequate representation—namely seven members instead of three.

The pertinent provisions of the law are contained in Article 7 of the School Code being Chapter 122, Illinois Revised Statutes 1951 part of which reads as follows: "Sec. 7-1. Board of education—Qualifications—Term—Vacancies. 7-1. All school districts having a population of not fewer than one-thousand inhabitants, as ascertained by any special or general census, and not governed by special Acts, shall be governed by a board of education consisting of seven members, serving without compensation except as herein provided. Each member shall be elected pursuant to the provisions of Article 5A of the School Code for a term of three years, unless otherwise provided herein. . . ."

Many of the residents of School District 159 may be unaware of the above provisions of the law and those who are aware of them are wondering, inasmuch as there will be an election in April, whether the present Board of Directors will take cognizance of this law and take the necessary steps to have an election of a Board of Education to consist of seven members.

It would be a great service to the community and in keeping with the inherent duties of our free press if you would bring this matter to the attention of all concerned.

Sincerely yours,
J. Scott Perry
Editor's Note: In the issue of July 19, 1951 we published a brief account of this new law.

HELLO FRIENDS AND NEIGHBORS!

Our 1952 Safety, Freindly and Business Message to Our Many Thousands of Friends in all this Great Section - - - Dedicated to Truth, Justice and Continued Prosperity!

Please drive, work and play safely—these are school days. Protect our children—and, remember, it is always better to be careful than always to be sorry.

REFRIGERATOR
Our examination of heights, refrigerators and disbursements. Refrigerators installed in the accounting office. Verification of receipts from street license stubs, taxes collected were... and water revenues were compared. Lectures taken from the water users account book. Other receipts were not verified. We satisfactorily reconciled the bank accounts to the amounts on deposit at the Mokena State Bank. Invoices or other supporting documents, approvals by Village Trustees at their meetings, and cancelled checks were reviewed. In addition we made certain tests which we deemed appropriate under the circumstances and have reviewed the system of internal control, but we did not make a detailed audit of all transactions.

COMMENTS ON GENERAL AND WATER FUNDS

We have prepared from available information a financial statement of the General and Water Funds combined as at June 30, 1951. This statement has been prepared without recognition of the value of the pumping station equipment, mains and other equipment. Also, because the cash balance includes cash for both the General and Water Funds, the financial statement was prepared for both funds combined. Brief comments relative to the manner of verification of the individual assets and liabilities on Exhibit "A" follows:

Cash in Mokena State Bank - \$6,248.95

We satisfactorily reconciled the amount shown as cash in bank with balance confirmed directly to us by correspondence with the Mokena State Bank.

Cash receipts as detailed on Exhibit "B" were summarized from the cash receipts journals. General taxes collected were verified by correspondence with the County treasurer. Licenses collected were verified by reconciliation with license stubs. Water revenue was compared with the total amount recorded as collections in the water users account book. Other revenue was not verified.

Cash disbursements for the year were summarized and classified as shown in Exhibit "B" and Schedule "B-1". All cancelled checks were examined. Invoices and other supporting data were inspected and approval in the minutes of the Trustees was noted. The ordinance under which the water revenue bonds were issued require that all water revenue be deposited in a special account designated as "Water Fund."

From this balance all bills should be paid for the operations and maintenance of the water system, as well as for the interest on the water revenue bonds and such bonds that mature from time to time. (a) A proper balance should be determined for the "Water Fund" and a bank account should be opened and maintained solely for this purpose, in addition to one for the "General Fund."

General Taxes Receivable - \$1,042.49

No attempt was made to determine the back taxes uncollected. The 1950 extension amounted to \$3,574.64. In June, 1951 an amount of \$2,174.69 was collected by the Township Collector. This was confirmed to us by the County Treasurer. In arriving at the balance of the 1950 levy uncollected we reduced the extension by 10% to cover estimated expenses, abatements and unpaid taxes.

Accounts Receivable - Water Consumers - \$258.29

This total was determined by us from balances shown as uncollected in the water consumers account book. This total is due from 42 consumers and only 2 balances are in excess of \$10.00.

No control account, or journal for the billing each quarter is maintained. Billing and collections are entered directly in the water users account book. Good accounting practice requires that a journal be maintained denoting water user and amount billed each quarter by individuals with a total for the quarterly billing.

Sundry Accounts Payable - \$110.13

Water Guarantee Deposits - \$146.50

We attempted to determine the outstanding bills at June 30, 1951 by an inspection of the invoices approved and paid subsequent to this date. Only a total of \$110.13 was found by this method. We did not circularize the usual suppliers of the Village to determine if they had on their books any amounts representing billing prior to June 30, 1951 and unpaid at that date. Also, we have not been informed or have we noted from the records any outstanding judgements or lawsuits against the Village.

The water guarantee deposits totalling \$146.50 was arrived at from a list of the individual deposits open on the records of the Village Treasurer. A record with duplicate receipts should be maintained and payment or refund should be noted on the duplicates maintained by the Village Treasurer so the amount owing can be determined at any time.

Water Revenue Bonds - \$2,300.00

Accrued Interest - \$57.50

These bonds are dated July 1, 1936, bear interest at 5% and are due as follows:

Bond No. 15 due July 1, 1951 \$ 300.00
Bonds No. 16 to No. 20 due July 1, 1952 to 1956
- 5@ 400.00 2,000.00

Total \$2,300.00

These bonds together with interest thereon, shall be payable solely from revenues derived from the waterworks system including all future improvements thereof and extensions thereto.

The Mokena State Bank confirmed to us that they were holding all of these outstanding bonds at June 30, 1951, and that the interest had been paid to January 1, 1951. We have accrued the interest for the period January 1 to June 30 which amounted to \$57.50.

Due on Water Main Extensions:

Parker Street \$ 357.33
Wolf Road and Bryant 2,145.49
Mineral Springs 4,489.71

The balances due on the contracts for construction of water main extensions were noted from the records maintained by the Village Treasurer and the unpaid balances were verified with E. J. Cooper for the Parker Street and Wolf Road and Bryant extensions. The Mineral Springs extension was confirmed with E. J. Cooper, Fiscal Agent for individuals under Land Trust No. 3449, Chicago Title and Trust Co., Trustee.

We noted that the receipts from the water users on each contract for a main extension were turned over directly to apply on the respective contract. The receipts should be deposited by the Village, and the total to be applied on each contract should be paid by a check on the "Water Fund" after approval by the Village Trustees in the regular manner.

These contracts for water main extensions were entered into after the ordinance was approved for the issuance of the present water revenue bonds. These contracts require all revenue from water users on the main extension to apply to the respective contract price. The water revenue bonds issued in 1936 also are to be paid out of revenue from the waterworks system including all future improvements or extensions. The legality of the contracts for construction of water main extensions should be referred to the Village Attorney.

A statement of cash receipts and disbursements has been prepared and is presented in this report as Exhibit "B" and supporting Schedule "B-1". In the future, after a "Water Fund" account has been opened, a statement of financial condition can be prepared separately for the "General Fund" and "Water Fund".

COMMENTS ON MOTOR FUEL TAX FUND

The financial condition of the Motor Fuel Tax Fund at June 30, 1951 is set forth in Exhibit "C" of this report.

We satisfactorily reconciled the amount shown as cash in bank with the balance confirmed directly to us by the Mokena State Bank. Receipt of \$800.00 from the state of Illinois was verified by correspondence. At June 30, 1951, there was \$225.13 cash unexpended and allotments not certified by the state at that date amounted to \$1,719.54.

A statement of receipts and disbursements for the year ended June 30, 1951 is attached as Exhibit "D".

GENERAL COMMENTS

No accounting has been kept with appropriations and expenditures made against such appropriations. However, we noted the total appropriations for the year under review amounted to \$13,245.00 while the actual expenditures totalled \$7,358.62 for the same period.

We noted that the Village President, Treasurer and Clerk are bonded for \$3,000.00 each. (B) We were informed at the time of our examination the public official bond of the Treasurer which expired at June 30, 1951 had not been renewed.

(C) Attention is directed to the minutes of the regular meet-

YOUR FIRST FIELD TEST WILL CONVINCE YOU... THERE'S MORE POWER IN A MASSEY-HARRIS

1-Plow Pony
2-Plow 22
2-3 Plow 30
3-4 Plow 44 L.P.
4-5 Plow 55

● The real test of a tractor's worth is how it performs in the field. That's where the best machine shows its heels to the pack... that's where you'll see and prove the difference in a Massey-Harris.
Climb up on the roomy platform, check the comfortable seat, the visibility and the handy controls. Press the automatic starter and feel the pep in the 4-cylinder, super-powered engine. Swing into your field and see how easily it handles routine work... how quickly it responds with extra lugging power when you hit a tough spot. Try it on a heavy belt job too. Once you have, you'll agree, "There's more power in a Massey-Harris."

MARLEY

Mrs. Virginia Sass
New Lenox 3133

The Marley Missionary society met last Wednesday afternoon in the home of Mrs. Edward Sproat. The assisting hostesses were Mrs. Jack Gardner, Miss Bessie Sproat and Mrs. Loren Sass. Mrs. Gardner presided during the meeting. The program was presented by Mrs. Charles Sievert.

Her topic was "Harvest in the Philippines." She closed the program with a poem, "Life Is Like A Journey." The hostesses for February will be Mrs. Daniel Sass, Mrs. Glenn Peterson, Mrs. Clayton Cleveland, and Miss Cora Hyink. On March 19 the society will go to Silver Cross Nurses home to sew for the hospital.

A "Well-Come-In" party was held at the home of Mr. and Mrs. Gus Termunde Friday evening. Mrs. Raymond Carlson, president of the Hadley school

Mother's club, welcomed the new members of the district. She led the group in singing several "rounds." Miss Rosemary Archibald was the guest speaker. In her very interesting manner she related accounts of her visit in Ireland the past summer as a 4H exchange representative. Robert Burch favored with several guitar numbers. Refreshments were served followed by dancing the "Virginia Reel."

The next meeting of the Mother's club will be at the home of Mrs. Carlson Thursday night, February 28.

Mrs. Royal Corp is a patient at Mayo's clinic at Rochester, Minn.

Mr. and Mrs. Loren Sass entertained in their home Thursday night in honor of the 11th birthday of their daughter Cheryl. Guests were Mr. and Mrs. Louis Sass, Mr. and Mrs. Victor Zaloudek, Mr. and Mrs. Daniel Sass and Miss Arlene Zaloudek.

Mr. and Mrs. Charles Lauffer were guests of Mrs. Minnie Sals in Oak Lawn Friday afternoon. Mrs. Robert Sproat and daughter Laurel spent Sunday in the Herman Graening home in Joliet, where they helped Mr. Graening celebrate his birthday. Roger and Connie Ann Corp are spending several days with Mr. and Mrs. Victor Casson in Lockport.

Charles Dale is recovering in his home from a siege of pneumonia.

Mr. and Mrs. Clayton Cleveland and family were dinner guests Sunday in the home of Mr. and Mrs. Tom Huttenhoff in New Lenox.

Mr. and Mrs. Arthur Lauffer and Mr. and Mrs. Bernard Homering were guests Saturday evening in the home of Mr. George Volk in Mokena. The occasion was in honor of Mr. Volk's 80th birthday.

Mr. and Mrs. Robert Sproat were entertained Friday evening in the home of Mr. and Mrs. Neal Houbolt in Joliet.

Mrs. Mary Marshall attended the Royal Neighbor installation meeting in New Lenox last Tuesday. Mrs. Marshall was installed as outer sentinel.

Mr. and Mrs. Albert Marti of New Lenox were guests Sunday evening of Mrs. Adella Sproat.

Mrs. Irene Boland, Mrs. Iva Martin and Julie Sonntag of Lockport spent Sunday with Mr. and Mrs. Arthur Lauffer.

The Missionary society will meet in the Henry Burch home, Thursday, January 31, with Mrs. Cloyd Roberts and Mrs. Ira Anderson acting as hostesses. Husbands of the members are invited to this meeting when dinner will be served at 12:30.

Hi-x club met Sunday evening in the James Coleman home. Rev. H. M. Finley, Misses Rita Rodgers and Carol Burch attended a meeting at New England Congregational church in Aurora Sunday afternoon which was held to plan the coming year's program of Pilgrim Fellowship in the Aurora association.

Mr. and Mrs. Bruce Anderson entertained at dinner Sunday evening in honor of their son George and his ninth birthday. Guests were Mr. and Mrs. Robert Burch, Mrs. Mary Meyers and Mrs. Ira Anderson.

A son who has been named Stephen was born January 10 in Silver Cross hospital to Mr. and Mrs. Arthur Carr of Elm St.

A permit for the building of a \$10,000 five room frame home on Spring road between 143rd and King Creek road, has been issued to Richard Pittman of Chicago.

The Reed school Mothers' club are planning a social evening at which the fathers will be special guests on Saturday evening, February 16. Cards and other games will be enjoyed and refreshments will be served.

Charles Dale who has been ill at his home for several weeks, is now suffering with pleurisy.

Mrs. Munson of Elwood is helping to care for Mrs. John Sproat who is quite ill.

Edward Cobb left Friday to enter Navy training at Great Lakes station.

Merritt Cagwin and son Elwyn have returned from Colorado where they attended the funeral of the former's cousin.

A group of teenagers helped Matt Fish celebrate his birthday at a party in his home last Saturday evening.

The Harold Drewes family have been victims of the flu during the past week.

Joseph Mlynarik cut his finger quite badly while using a power saw recently.

Judy Habenicht is suffering with the mumps.

Edward Bishop and Mr. and

Mrs. Harold Bishop of Chicago visited the former's sister, Mrs. John Sproat on Sunday.

Hadley Mothers' Club Hostesses

"Get acquainted with your neighbor—you might like him," could have been the theme for the gathering in the attractive new Termunde home last Friday evening when the Mother's club of Hadley school sponsored a "welcome" party celebrating the recent uniting of districts 128 and 129.

During the evening a varied program of "round" singing, folk songs by Bob Burch with guitar accompaniment, and a very interesting talk by Anne Archibald of New Lenox, who gave an entertaining account of her recent trip to Ireland, still left time for impromptu square dancing, visiting, and partaking of lots of ice cream, cake and coffee.

Hadley Corners was, in the days of yore, quite a village, complete with general store, blacksmith shop, post office and church, all of which gradually disappeared. If we may judge from the recent influx of new people to the community, perhaps it is on its way back. The school has an enrollment of 22 pupils now where it was once down to four.

MM model 11A disc harrow turns in as small a radius as any row-crop tractor. Tension springs hold the gangs in a level position so that the harrow penetrates at a uniform depth over its full width. With this construction the harrow is flexible for good work on uneven ground, and one side or the other does not dig in on turns.

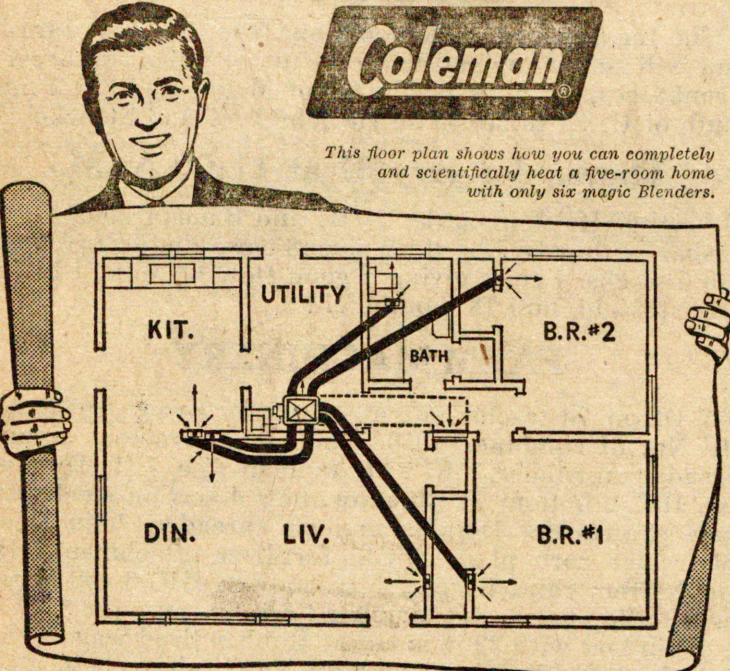

Ease of angling is another outstanding feature. A touch on MM's new hydraulic control, called Uni-Matic Power, makes adjustment of disc angle on the go a simple matter. If your old harrow needs replacing, drop in to see us. We think MM harrows offer you the most in good performance, economy, and dependability.

IT'S HEATING MAGIC

WITH THE NEW **BLEND-AIR** by **COLEMAN**
 CENTRAL HEATING

EVEN COMFORT FLOOR TO CEILING—LESS HEAT WASTE WITH NEW 3 1/2" DUCT SYSTEM

BLEND-AIR circulates and RE-circulates warm air in each room! The magic Blender in each room automatically sucks cool air out of the room, heats it with fresh warm air from furnace, RE-circulates it through the room. No packing of hot air at ceiling. Constant circulation keeps room temperature uniform from floor to ceiling. Automatically controlled! It means more comfort—a better heated home!

NEW! Money-saving advance in automatic heating! It's the new scientific way to heat every room, evenly! Big savings in (1) new low-cost ducts, (2) new standardized fittings that save on installation. **BLEND-AIR** fits any home—old or new, big or little, with or without basement. All parts factory-made to assemble easier and cost you less!

NEW! Saves space, saves work, saves cost! Put the space-saving **BLEND-AIR** furnace anywhere—basement, kitchen, or utility room. It's tidy, quiet, automatic. Made by Coleman, world's largest manufacturer of home heating equipment. A new way to give your home even circulated warmth!

No money down... Pays for itself in comfort and economy
 3 1/2" WARM AIR DUCTS

Heating magic takes place in the Blender. Hot air from furnace blends with room air, then circulates it through room.

Modumatic Furnace takes fresh filtered air from outside; heats it and forces it through individual 3 1/2" air ducts to Blenders.

From where I sit... by Joe Marsh

Big Ed started a "Pay-Your-Bill" campaign last week and ended up with a slightly red face. Ed's been our Water Commissioner for ten years, and for ten years now he's been getting riled up over slow payments of bills. So, he finally decided to do something drastic about it. Last week he sent notices that if the slackers didn't pay up by Friday, he'd shut off their water. Naturally, some still didn't square accounts. Ed ordered their water turned off, and 14 homes went without all week end—the Commissioner's among them. Seems Ed forgot to pay his bill. From where I sit, Ed's mistake is one we all make at times. We are too quick to accuse others while forgetting our own faults. Lots of us do it, for instance, over a difference in taste for a soft drink or a friendly glass of beer. Let's respect each other's preferences and we'll all stay out of "hot water."

You can trust your grain drill with IH 5-Star Service

Don't wait for a poor stand to tell you that your grain drill is stealing crop production.

Our IH pre-season inspection makes sure your grain drill is accurate—to be trusted—before you take it to the field. We go over your drill from hitch to covering chains—make 18 different checks for wear that may give you trouble at seeding time.

Make a date for an IH pre-season inspection of your grain drill now. There is no obligation to schedule service. Call us, today.
